

InteliChart[®] | OEM Partner Solutions

A Winning Combination: Your Products + Powered by InteliChart.

With OEM and white label solutions from InteliChart, EHR, HIE and ACO vendors have the opportunity to deliver products powered by the most advanced portal technology available. That's great news for your customers and your bottom line.

What can you expect as an InteliChart OEM or white label partner? The InteliChart platform offers:

Transparent Branding

Private-label the InteliChart technology and bring to market your fully certified patient portal solution.

2014 ONC Certification for Your Products

The InteliChart Patient Portal can bridge the gaps for your existing product line and enable your products to be 2014 ONC Certified.

ONC Certification Consulting

When you pursue certification, InteliChart's technical team becomes part of your team throughout the certification process.

DirectTrust Secure Messaging

Integrating the InteliChart Patient Portal with your existing products will also enable the transmission of secure messages via a certified DirectTrust HISP.

Robust API Streamlines Integration

The InteliChart API is designed for quick and easy integration with your product line—no custom development needed.

Extensive Vendor Integration

InteliChart has established extensive integration with market leading acute and ambulatory EHRs.

Give your customers the healthcare portal technology they've been waiting for.

2014 ONC-CERTIFIED TECHNOLOGY

The IntelliChart Patient Portal is fully certified by the Office of the National Coordinator for Health Information Technology (ONC) for both Ambulatory and Inpatient use.

IntelliChart powers a broad range of OEM Partners, to include those in ambulatory care, acute care, rural health, urgent care, critical access, and behavioral health. IntelliChart products include:

- Patient Portal
- Mobile Health Apps
- Health Information Exchange (HIE)
- Connected Health Platform | API Registry

Expedite your go to market and eliminate the time and costs associated with in-house development. Contact us to learn more about what OEM and white label solutions from IntelliChart can do for your products and business.
